

Epic Physician Builder Training – Basic (CLN150)

October 6-8, 2021 | Live Virtual Activity | Andy Stoffels & John Nelson

Jointly Provided by the **University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP)** and **Epic**.

Intended Audience and Scope of Practice

This program is intended for physicians and nurses in specialty and sub-specialty areas using the Epic EMR in their daily practice.

Statement of Need and Purpose

The purpose of this training is to demonstrate efficiencies in EMR configuration in order to accommodate patient workflows in specialty and subspecialty areas. Specifically, the courses will show learners how to personalize the tools they use in documentation, placing orders, and messaging about patient care.

Elements of Competence

This CME activity has been designed to change learner competence and focuses on the American Board of Medical Specialties area of systems-based practice and NAM areas of quality improvement and informatics.

Learning Objectives

Following this training the participant will be able to:

- Create Documentation Flowsheets to capture specialty-specific discrete data
- Utilize SmartForms to capture discrete data and generate a note
- Identify the process for creating Decision Support Alerts in Epic
- Create Orders related tools such as preference lists, SmartSets, and Orderset

Policy on Disclosure

It is the policy of the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP) to identify, mitigate and disclose all relevant financial relationships with ineligible companies* held by the speakers/presenters, authors, planners, and other persons who may influence content of this accredited continuing education (CE). In addition, speakers, presenters and authors must disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation.

For this accredited continuing education activity all relevant financial relationships have been mitigated. The Faculty and Planners listed below do not have any relevant financial relationships with ineligible companies to disclose and will not discuss any unlabeled/unapproved uses of drugs or devices during their presentation.
