Epic Physician Builder – Notecraft for Physicians (CLN145)

CI Fellows Session | August 2, 2021 | Live Webinar

Provided by the **University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP)** and **Epic**

Intended Audience and Scope of Practice:
This program is intended for physicians and nurses in specialty and sub-specialty areas using the Epic EMR in their daily practice.

Statement of Need and Purpose:
The purpose of this training is to develop the skills to efficiently use Note templates designed by physicians in the electronic medical record, resulting in less bloated notes and improved patient safety.

Elements of Competence:
This CME activity has been designed to change learner competence and performance and focuses on the ABMS area of systems-based practice, NAM areas of providing patient-centered care, applying quality improvement, and utilizing informatics.

Learning Objectives:
Following this training the participant will be able to:
1. Create System Templates shared among everyone in a specialty
2. Develop Links that pull key clinical information into a note template
3. Employ Rules that will allow Rules-Based documentation and reduce note bloat
