Physician Builder for CI Fellows

CLN145

Dates: *August 2, 2021*
Trainers: *Sara Stevenson, John Nelson*

Prerequisites

- **CLN145v**: Live use of EpicCare OR a clinical Fundamentals course (*e.g.*, AMB100 or CLN102) OR Power User Introduction (MD201), Power User SmartTools Part 1 (MD204), & Power User SmartTools Part 2 (MD205)

Learning objectives:

By participating in this training, learners will be able to:

- Create System Templates shared among everyone in a specialty.

- Develop Links that pull key clinical information into a note template.

- Employ Rules that will allow Rules-Based documentation and reduce note bloat.

Monday, August 2 – CLN145v
