

# Epic Clinical Content Builder Training - Advanced

Voyager Hall – Verona, Wisconsin

Monday, January 14 through Wednesday, January 16, 2019

Provided by the **University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP)** and **Epic**.

## **Intended Audience and Scope of Practice:**

This program is intended for nurses in general and specialty practice areas using the Epic EMR in their daily workflow.

## **Statement of Need and Purpose:**

To lead electronic health record implementation, nursing informaticist builders need to understand the key workflows and tools of Epic. The nursing informaticist builders make key decisions during the EHR implementation process and they need to understand the implications of those decisions on nurses and patient safety.

The purpose of this training is to show nurses who use Epic's electronic medical record how to configure the software to accommodate patient workflows in general and specialty areas. Specifically, the course will show nurses how to create custom documentation and other tools.

## **Elements of Competence:**

This CE activity has been designed to change learner competence and focuses on the Institute of Medicine area of using information technology, and the Nursing areas of roles/responsibilities and interprofessional communication.

## **Learning Objectives:**

Following this course the participant will be able to:

- Describe the variety of tools available to document in the EMR and how to evaluate which tool is best for which clinical need.
- List the top ways individual clinicians can customize the EMR to be more efficient.
- Explain how to construct and modify Documentation Flowsheets, reports to find patient information, activities to trend and correlate patient data, and building of workflows.
- Describe how standardizing the approach to ordering workflows enhances clinical staff productivity and has the potential to increase nurse and patient safety.

## **Accreditation Statement**

In support of improving patient care, this activity has been planned and implemented by the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP) and Epic. The University of Wisconsin–Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
