

Health Sciences Clinical Teaching Learning Community

Monthly Virtual Journal Club

SMARTPHONE USAGE DURING PATIENT CARE: IMPLICATIONS FOR CLINICAL EDUCATION

OCTOBER 8—14, 2018

<https://bit.ly/2xAAylk>

Join us for the Health Sciences Clinical Teaching Learning Community Monthly Online Journal Club! An asynchronous experience with a clinical teaching and learning focus! Each month there is a new article, case and questions to ponder. For each topic, you will have a week to reflect and respond.

Upcoming 2018 Dates

November 12—18

December 10—16

January 7-13

PRESENTER

Susan L. Wenker, PT, PhD
Assistant Professor
(CHS)
