

Kids live better at home.
That's why we're here.

Milwaukee Office

Respiratory Therapy & Equipment

Our respiratory therapists **provide the most integrated and advanced respiratory support**, including:

- Provided by RRT-NPSs, LRTs, RNs and clinical specialists
- Comprehensive case management
- Available 24/7
- Advanced hands-on training and education
- Tracking and monitoring of readmission rates to prevent future admissions

Enteral Nutrition

PHS provides everything from **parenteral to enteral to oral supplements**.

- Over 150 standard, semi-elemental, and elemental products
- Region's largest supply of formula and supplements on-site

Clinical Online Education

PHS clinical online education brings our high-level training right into your home or workplace. With **courses geared toward caring for medically complex children**, participants can access education, from anywhere, at anytime.

- Engaging and interactive
- Courses including blood sampling, enteral nutrition, infusion, and trach tubes
- Available at PHSOnlineEducation.com

Recognized as an industry leader, PHS is accredited through The Joint Commission, the nation's leading standards-setting and accrediting body for health care quality and safety.
