

Advance Practice Provider Preceptor Workshop

University of Wisconsin-Madison, Signe Skott Cooper Hall
Madison, Wisconsin

Provided by the **University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP)**.

Overview

This workshop focuses on competence and skills that nurse practitioners and physician assistants need when serving as preceptors. These include time management, critical thinking, providing evaluation and feedback, nurse practitioner/physician assistant program information, learner styles, motivating, and working with a challenging preceptee.

Statement of Need and Purpose

Advance practice provider (APP) training programs rely on high quality graduate clinical preceptors to provide real-world clinical experiences and socialize students to the role of the APP. Nurse practitioner and physician assistant training programs often do not include preceptor development. Many graduate clinical preceptors have never received formal preceptor training and feel deficient in their ability to set goals, create an adequate learning environment, provide feedback, and evaluate student performance in a busy clinic setting.

The purpose of this interprofessional workshop is for nurse practitioners and physician assistants to attain the necessary skills to become effective and successful preceptors.

Intended Audience

This workshop is designed to meet the needs of nurse practitioners and physician assistants who precept graduate students in their clinical practice.

Elements of Competence

This CE activity is designed to change learner competence and performance, focusing on the American Board of Medical Specialties' areas of practice-based learning and improvement, interpersonal and communication skills, and professionalism, Institute of Medicine area of working in interdisciplinary teams, and the Interprofessional and Nursing areas of roles/responsibilities, interprofessional communication, and teams/teamwork.

Learning Objectives

Following this workshop, learners will be able to:

- Name two techniques for evaluating critical thinking in graduate clinical learners
- Demonstrate providing timely, specific feedback to a graduate clinical learner
- Describe a plan for addressing challenging student encounters
- Distinguish between nurse practitioner and physician assistant student competency prior to clinical rotations

Successful Completion

Learners will participate in interactive simulations, and cased-based and small group discussions that focus on real world experiences. A pre and post-activity scenario-based test is required. Learners will take the tests as part of the workshop.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the University of Wisconsin–Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation Statements

American Medical Association (AMA)

The University of Wisconsin-Madison ICEP designates this live activity for a maximum of 3.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC) & Iowa Board of Nursing

The University of Wisconsin–Madison ICEP designates this live activity for a maximum of 3.75 ANCC and Iowa contact hours.

The University of Wisconsin-Madison School of Nursing is Iowa Board of Nursing provider 350. A copy of the evaluation(s) may be sent to the Iowa Board of Nursing, 400 SW 8th St., Suite B, Des Moines, IA 50309.

Continuing Education Units (CEUs)

The University of Wisconsin–Madison ICEP, as a member of the University Professional & Continuing Education Association (UPCEA), authorizes this program for .375 CEUs or 3.75 hours.

Policy on Disclosure

It is the policy of the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP) that the faculty, authors, planners, and other persons who may influence content of this continuing education (CE) activity disclose all relevant financial relationships with commercial interests* in order to allow CE staff to identify and resolve any potential conflicts of interest. Faculty must also disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation. For this educational activity all conflicts of interest have been resolved and detailed disclosures are listed below.

The University of Wisconsin provides equal opportunities in employment and programming, including Title IX requirements. The University of Wisconsin fully complies with the legal requirements of the ADA and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact info@icep.wisc.edu.

Name	Role	Financial Relationship Disclosures	Discussion of Unlabeled/Unapproved uses of drugs/devices in presentation?
Alissa Devos, MPAS, PA-C	Planner/Speaker	No relevant financial relationships to disclose	No
Sarah Endicott, DNP, APNP, GNP-BC	Course Director/Speaker	No relevant financial relationships to disclose	No
Tracy Mrochek, MPA, RN	ICEP Staff	No relevant financial relationships to disclose	No
Kristen Panther, MSN, APNP, ANP-BC	Planner/Speaker	No relevant financial relationships to disclose	No
Rosa Retrum, MSE	Planner	No relevant financial relationships to disclose	No
Beverly Speece, MTS, PA-C	Planner/Speaker	No relevant financial relationships to disclose	No
Lauren Trillo, MMS, PA-C	Planner/Speaker	No relevant financial relationships to disclose	Yes

*The ACCME defines a **commercial interest** as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The University of Wisconsin–Madison ICEP does not consider providers of clinical service directly to patients to be commercial interests.
