

## CREDIT

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

### ACCREDITATION STATEMENT

In support of improving patient care, the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

### CREDIT DESIGNATION STATEMENT

The University of Wisconsin–Madison ICEP designates this live activity for a maximum of 9 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### CONTINUING EDUCATION UNITS

The University of Wisconsin–Madison ICEP, as a member of the University Professional & Continuing Education Association (UPCEA), authorizes this program for .9 continuing education units (CEUs) or 9 hours.

### NEED STATEMENT

This activity is being held in response to mental health professionals' previous conference evaluations and the need for ongoing continuing medical education for clinicians in the area of psychiatry.

### TARGET AUDIENCE

This activity has been designed to meet the needs of clinicians and other health care professionals who are looking to enhance their knowledge and skills for the care of their patients with mental health issues.

### ELEMENTS OF COMPETENCE

This CME activity has been designed to change learner competence and focuses on the American Board of Medical Specialties areas of medical knowledge and patient care and procedural skills.

### POLICY ON FACULTY AND SPONSOR DISCLOSURE

It is the policy of the Wisconsin–Madison ICEP that the faculty, authors, planners, and other persons who may influence content of this CME activity disclose all relevant financial relationships with commercial interests in order to allow CME staff to identify and resolve any potential conflicts of interest. Faculty must also disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be available prior to the activity.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Describe the data supporting efficacy and risks associated with transcranial magnetic stimulation in the treatment of major depressive disorder.
- Develop a plan to address substance use disorders in their patients who are children or adolescents.
- Manage the challenges associated with caring for patients with personality disorders.
- Summarize how to balance working with children and their parents in the context of divorce.
- List the most recently developed and discovered drugs of abuse, and their psychiatric sequelae.
- Develop a plan to screen for, diagnose, and treat bipolar disorder in their older adult patients.
- Develop and implement a treatment plan for their patients with obsessive-compulsive disorder.
- Appreciate the clinical and research links between substance use disorders and eating disorders.
- Describe the steps that health care providers can take to promote wellness within their institutions.

In Memoriam

James W. “Jeff” Jefferson, MD  
August 14, 1937 – March 31, 2019
