Continuing Education Credits

Continuing Education Credits are available upon successful completion of all course components. You do not have to complete the courses in one sitting. Upon completion of courses, you will have continued access to course content to review or reference at a later time.

eHomeCare - Caring for Children with a Tracheostomy with/without a Ventilator
In support of improving patient care, the University of Wisconsin–Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

eHomeCare – Expansion Courses
In support of improving patient care, this activity has been planned and implemented by the University of Wisconsin–Madison ICEP and the University of Illinois Chicago's Division of Specialized Care for Children. The University of Wisconsin–Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
