

# Team-Based Care: Getting READDY-Collaborating with School Nurses for Diabetes Transition Success SHOW NOTES

## Learning Objectives

As a result of participation in this educational activity, members of the healthcare team will be able to:

- Define healthcare transition
- Describe the READDY assessment
- Discuss the partnerships between the school nurses and the UW Health Clinicians
- Describe how this model could be replicated for other chronic health conditions or healthcare transition in general

## Claiming Credit/Episode Evaluation

Visit the “Team-Based Care” podcast page at <https://ce.icep.wisc.edu/team-based-care-getting-readdy-collaborating-school-nurses-diabetes-transition-success> to learn more about how to claim credit using the texting function or through the ICEP learning portal. We appreciate your feedback! At the same link, you can learn how to share your feedback for this episode.

## Accreditation Statement

In support of improving patient care, the University of Wisconsin–Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

## Credit Designation Statements

For more information about continuing education credit for this episode, visit the “Team-Based Care” podcast site in the ICEP online learning at <https://ce.icep.wisc.edu/team-based-care-getting-readdy-collaborating-school-nurses-diabetes-transition-success>

The accreditation for this course expires 7/6/2027. After this date, you will no longer be able to access the course or claim credit.
